Some of you have already heard, but let me confirm to all that we recently sold our North Carolina home and will be moving to Florida in mid-April. As we approached our 70th years, we began to feel the need to down-size from a big house here and Florida has exactly what we're looking for; one level homes and maintenance free outside (yea!). Many have asked if the cold winter here in North Carolina had anything to do with it, but that's merely a coincidence as we've been thinking about doing this for a couple of years now. Plus, cold here is still a joke compared to the rest of our lives living up north!

We will be relocating to Lakewood Ranch (LWR), near Sarasota and will be renting a home there while we build in one of LWR's newer phases. We've built 5 new houses during 46 years of marriage and I trust this will be our last!

Our best to all,

Joe & Sharon Carfora

I just viewed the video "Hicksville Then and Now." It brought many smiles of remembrances of my "wonder years" growing up in Hicksville. Then many tears evolved when I got to the "In Memoriam" section. My demographic was permanently affected by the Vietnam War, and the tragic loss of so many of our classmates.

Your requests for suggestions for future newsletters coincided perfectly with the memories evoked by the video, particularly anecdotes about my teachers. We were very fortunate to have had some really wonderful and dedicated men and women guide us through our growth years. Although the particulars about any story would primarily resonate with those of us who knew those teachers, they might also inspire others to share their own cherished and amusing tales.

Thanks

Just saw your YouTube video on the history of Hicksville. It brought back so many memories. Thanks. It was a great video and thanks to all the other editors. Great job.

# MORE LETTERS

Hi Bob,

Just viewed the video and it was great, making me want to go back & revisit. I lived on Jerusalem Ave across from Spindle Rd. Since a lot of my friends lived on the other side of Hicksville, I have fond memories of riding everywhere on my bike before I could drive. Some of our favorite places (once I could drive) was Frank's Alibi and the Plainview Diner on South Oyster Bay Rd in the shopping center. We would meet and have veal parm heroes and gin & tonics. Next to the movie theater was the pawn shop (we called it the hock shop) where we would find all sorts of treasures. Friday night brought our usual trip to the Farmer's Market (I had forgotten that it burned down!). Then there were the ice creams at Gertz and Pizza D'Amore....

Great memories, thanks for renewing them!

Hi

My name is Chris Schnetzer (class of 65). Actually, today is my birthday and I had all my children over. This was good because I had a hard time opening your web page. Of course the kids being very computer savvy were able to help me. I currently live down in Boynton Beach FL. I noticed they were building a memorial with all the Vietnam vet names on it. Also could you give me the names of anybody that lives in the south Florida area. I will be looking forward to hear from you.

A note sent to John Tranchino from Joe Carfora...

Hi Jay,

Thanks to the IT expertise of Tony Plonski, a Class of '64 member of our Project Team, we now have the List of Names for the Memorial sorted by class year, wherever the class year is known. This should enable you to get the quotes you need for using the laser bonding on stainless steel method of listing the names alphabetically by graduating class year, regardless of school attended (albeit the majority of our list attended HHS).

Here are details from the List sorted by class year:

For 479 names, 25% of our List of 1,881 names, we either know the school, but not the year or do not know either. If we cannot resolve some of these by the time we are ready to engrave, they will have to be listed as "unknown class year".

The rest of the list, covering years from 1937 through 1974, follows a slowly ascending bell curve, with a pretty rapid descent.

107 total names from 1937 through 1958

1,176 names from 1959 through 1969 (63% of the list), with a peak of 172 names in 1966

None of this is surprising, but it clearly shows where the majority of those who served during the Vietnam Era came from as far as class years are concerned. I'm sure if we were able to fill in the information for all 479 names where we don't yet know class year, they would pretty much follow the above distribution. Please let us know when you have the quotes.

Best regards,

Joe

Dear Editor,

On Monday, May 26, the United Veterans of Hicksville will be holding Hicksville's Memorial Day Parade and Ceremonies. The host organization for this year's parade is the Hicksville Veterans of Foreign Wars, William M. Gouse Jr. Post 3211. As Commander of the Post, I am this year's Parade Chairman. I would like to invite any of Hicksville's veterans to march in this year's parade. If they would like to march with a banner "Hicksville High Alumni Veterans" or something to that affect, I would definitely find a spot for them in the parade. Anyone interested, can contact me through my email address or through HixNews. Also, since I am the emcee of the Memorial Day Ceremonies at the Middle School (we knew it as the Jr. High) and I will mention our Vietnam Era Veterans project. School Superintendent Bright did mention the project last year in her address, which means there should be no problem with me mentioning it this year.

Attached are two pictures from last year's ceremonies.

First picture: the WWI Memorial with the wreaths from the various organizations (The Vietnam Era Memorial will be about 15' to the viewers left of this one)

Second picture: the various veteran organizations with their banners

# Looking for

I am looking for Irene Hyman, who graduated from HHS in either 1958 or 1959. We went to college together up in Boston. Carol Peters and I are hoping you can help us. We have no idea of her married name. If you could, contact Irene and ask her to contact me at either xxx-xxx-xxxx or <email hidden for safety>

Thank you for any help you can give us.

Sincerely,

Joan Caggiano Litchfield

Added to "**Looking for People**" list.

Best, Henry

Joan

I'm working on your request. Irene was in the class of 1959 and was classmates with Ann Sullivan Kinsella and my sister, Eileen Casale. Irene's married name is Friedman and I'm pretty sure she is in touch with Ann, so I sent an email to Ann's daughter, Kelly, asking Ann for an email address.

Kelly and I worked together in Hicksville at a plumbing supply store. I am retired now and living in Augusta, Georgia.

Will let you know when I find out about Irene's contact information.

Buffalo Bob Casale

What high school did you attend??? And Carol Peters???

Bob

Thanks so much for your prompt help. Carol Peters is from Martha's Vineyard and I'm from Boston. We were roommates with Irene, and kept in touch after school for awhile. I hope you have success in getting her email address.

Again I so pleased you helped.

Thanks

Joan

# Looking for

You contacted me about 10 days ago saying you thought you might have an email address for Irene Hyman. I thought maybe you had lost my email address. I do appreciate all the information you can give me.

If I had her husband first name, I could look them up in White Pages.

Thanks so much for your help.

Joan

I sent a note to someone I worked with years ago. Her mom was very close to Irene. Kelly just hasn't responded yet. She will!!! I just sent another note. Keep your fingers crossed. I will let you know as soon as I know something. I believe Irene's husband passed away.

Bob

Hi Bob,

I'm so sorry. You ended up in my junk mail I'm so very sorry to hear about Joyce. How are you doing? This place sucks. Totally different then when you were here. Miss you & the old gang everyday!

How are you holding up with the snow down there? It's got to be pretty difficult dealing with that kind of weather in an area where it hardly occurs.

Unfortunately, my mom doesn't have an email address for Irene but I do have a phone # xxx-xxx-xxxx. My mom doesn't really do much with email.

Love ya & miss ya,

Kelly Xoxo

# Looking for

We're the current owners of a house at 121 Fourth Street, across the street from the old high school (now middle school).

We're trying to locate the owners before 1962, FREDERICK KOCH, DOROTHY KOCH BEATTY, and EMMA KOCH ROEBER. It appears their family built the house around 1926, and were in some way connected to it until they sold to a family named Sodaitis. We located the Sodaitises but have had no luck with the Kochs.

If you could please send out an inquiry to your alumni it would be a great help. Any cost of course would be repaid.

Because of our schedules it would be appreciated if you could please contact us at <contact the editors for the email address>.

Thank you for any help you can give us.

# Make the newsletter YOURS!

**The following was submitted by Bill Dylewski from the class of 1962.**

**Additional comments from our readers would be appreciated so we can gain an overall prospective from the majority regarding their opinion of the current design of HixNews.**

**The editors have tweaked the layout over the years since our first website entry back in 2005. Thanks!!!**

**Your editors...**

Hi Bob

Regarding your call for help with this months newsletter, I think all the "thank yous" you receive for remembering one's birthday, anniversary, and just about anything else, don't really belong in the .pdf part of newsletter. This personal info could/should all be put on a link in the orange frame for alumni to view at their discretion, given their interest.

Also, the frame's aspect of the HixNews site should be done away with. No one can bookmark a page that they might want to save for future viewing by clicking on "Book Mark This Page" button in their browser without knowing the basic key strokes to do it. A simple web page link like this provides a clean, easy to use homepage where you can have any amount of links and it would be easy to use.

Another might be what about a Google Map that shows where the readers of HixNews live? People might find out that a classmate may be living just around the corner and not know it. It doesn't have to be pin-pointed to the exact address and the alumnus/alumna would have the choice to opt in or not.

Finally, a HixNews help page addition could bring people with a problem to the page and someone with the knowledge to answer the question also to the page. Email's could be semi-encrypted if the reader would want immediate response instead of waiting a mont for the next news letter. Example would be to use the word (At) instead of the symbol above the number 2 key, and (DOT) instead of the period before the com end of the meal. Example would be..."You can contact me at NAME At MAILPROVIDER DOT COM. instead of name@mailprovider.com. The reader of the email should be able to decipher the above and reply to the request.

Keep up your good work.

Bill, '62

21. Sticking bicycle chain? Use Pam no-stick cooking spray.
22. Pam will also remove paint, and grease from your hands! Keep a can in your garage for your hubby.
23. Peanut butter will remove ink from the face of dolls.
24. When the doll clothes are hard to put on, sprinkle with cornstarch and watch them slide on.
25. Heavy dandruff: Pour vinegar over your scalp!
26. Body paint: Crisco mixed with food coloring. Heat the Crisco in a microwave. Pour it into an empty film container and mix with the food color of your choice!
27. Tie Dye T-shirt: Mix a solution of Kool Aid in a container; tie a rubber band around a section of the T-shirt and soak.
28. Preserving a newspaper clipping: Use a large bottle of club soda and cup of milk of magnesia. Soak for 20 min. and let dry. Your clipping will last many years.
29. A Slinky will hold toast and CD's!
30. To keep goggles and glasses from fogging, coat with Colgate toothpaste.
31. Wine stains: Pour Morton's salt onto the stain, and watch the wine absorb into the salt.
32. To remove wax: Cover the stain with a paper towel. Use an iron to gently iron over the wax stain, it will absorb into the towel.
33. Remove labels off glassware etc: Rub with Peanut butter!
34. Baked on food: Fill a container with water. Use a Bounce paper softener sheet. The static from the Bounce sheet will cause the baked on food to adhere to it. Soak overnight. Also, you can use 2 Efferdent tablets and soak overnight!
35. Crayon on the wall: Colgate toothpaste and brush it!
36. Dirty grout: Use Listerine.
37. Stains on clothes: Colgate toothpaste.
38. Grass stains: Use Karo Syrup.
39. Grease Stains: Use Coca Cola, it will also remove grease stains from the driveway overnight. We know it will take erosion from car batteries!
40. Fleas in your carpet? Use "20 Mule Team Borax". Sprinkle and let stand for 24 hours. Maybe this will work if you get them back again.

More next month! I just find 'em, I don't vouch for 'em :)

# Passages

Editors, You all do a great job with the newsletter and I have enjoyed learning about some of my classmates.

I wanted to you to include my older brother, Warren, in the "In Memoriam" List.

Warren Galke graduated from HHS in 1965. His classmates my remember him walking to class in his long leg braces and crutches after polio left his lower extremities paralyzed. Warren went on to graduate with a degree in Biochemistry from Cornell and a PhD in Public Health from UNC Chapel Hill. He became an expert on lead poisoning and was working for NIH at the time of his passing from complications following treatment for colon cancer on December 5, 2006.

Thanks.

Doug Galke 1968

Hi guys,

You may want to add several names to the IN MEMORIAM page for 1978.

The deceased are:

Kevin Drummond

Charles Wayte

Ellen Schnebel

(died over 20 years ago in a car accident on the Sagtikos/Sunken Meadow Parkway, while very pregnant)

Also, I'm not sure if Rocco Marciano graduated from HHS (or possibly a private school, either way it would be 1978. He also passed from cancer within the last 2 years.

Stay well & God Bless,

Marie Franzese Watts

Editor note:

Did not find Rocco Marciano on Classmates or Face book

Bob and the Gang,

Thank you all for the newsletter every month.

I was saddened to read of Stephen O'Brien's passing. I remember him well. We were friends for a while and I remember his penchant for learning. And, he could draw the outline of the United States in about fifteen seconds in perfect proportion! I remember having a crush on his sister Eileen, too.

I see it is now over half a century since the passing of Bruce Sollod. I've been trying to find a copy of his obituary but have been unable to do so. Jimmy Kansas, Keith Thomas and I were with Bruce that day, walking home from Richie Lee's house, when the tragedy happened. It still haunts me to this day.

If his obituary can be located, then please direct me. Thanks.

All the best...

Dennis Listort 1964

Hi Bob,

Sorry to bother you again.

I tried finding the newspaper article of Bruce's death at the Newsday site but was unable to locate it. I can't recall any of the names of other Long Island newspapers at the time which might have carried the story. If you can lead me to any articles concerning the tragic accident, then I would be most appreciative. For some reason, the memories of that day so long ago are particularly hellish to me now.

Thank you.

Dennis

Editor Note...I searched Archives, Ancestry, Legacy & Tribute and found nothing. I did find a record for his brother David A. Sollod who graduated with me in 1961...

BORN: 29 Dec 1942

Died: 17 Aug 1998
